

**WALLACE STATE COMMUNITY COLLEGE
REQUEST FOR PROPOSAL
RFP # 20-2026 Firearm Simulator**

ADDENDUM

Re: RFP # 20-2026 Firearm Simulator

This is an addendum to the original request for proposals for #20-2026 Firearm Simulator. This addendum removes the Recoil & Refill System, that was on page 3 of the original proposal. This Addendum also corrects the quantity to 1 (one) instead of 3 (three) for the Stress-Inducing Feedback System.

We apologize for this error in the proposal document. The amended proposal is posted on our website. Due to this Addendum being close to the original due date, we will extend the proposal opening date to Monday, August 17, 2026 to allow time for submittals.

Thank you,

Wallace State Community College
