In the space provided below, please answer the following questions:

- Why would you like to tutor in the tutorial lab?

- In the subjects you feel qualified to tutor, what is/are your tutoring/teaching experience(s)?

- What do you feel are the major difficulties students experience in your subject area?

- All applicants must provide a recommendation for the primary content area in which they wish to tutor. This can be in the form of a letter or email and must be submitted with your application.
- Please note that priority for tutor positions will be given to applicants who have earned a grade of "B" or higher in classes for which they wish to tutor and who have earned an overall GPA of 3.0 or higher.

(If you do not meet one or more of the above criteria, and you wish to explain, please attach a note.)
